FIRST JOIN IN OLIMPIADE

At Juli's moon, I was join olimpiade mathematic with my friend in stkie campus. At that time, I am not ready for it. Because a little time and there are many bab are not finish to learn.

When we gone, the weather not to support. I and my friend late to Depart. On street we got many support and spirit from our teacher.

We are lucky, we are not late. until there I am and my friend here in different room. before we do the test, we are give information about rule it, for use the time we are began to do the test. when I see the test I frightened. The questions very difficult for me. I am not sure I can to do it, but in any case must to finish and to overtake an easy question. The time almost finish, but not all questions ~~be~~ can I do is very good. when the time was finish not just me was not finish.

After time up we can to break for noon prayer then wait information. At 13.00 o'clock we go to see the informations hope anyone can to pass among we. But not anyone. we are feel ashamed to our teacher, but they are never angry. they are only give we are support and to become this moment be experience are not forgotten.
